

.....because the destination
and the journey matter.

CORDOVA 52 SERIES II

Our new Cordova 52 combines rugged offshore build specification with hand built luxury motor yacht craftsmanship while the dual chine hull design allows economical long range cruising and the ability to get to port quickly when you need a turn of speed. On board you will find our Australian designers have captured our indoor/outdoor living concept with galley, saloon and cockpit on the same level and a superb open feel to the huge entertaining areas. Experience this stylish combination of contemporary boatbuilding with hand crafted Burmese teak fitout that looks and feels like a hand made motor yacht should. The Cordova 52 comes with an extensive list of standard options in a three cabin and two bathroom design at \$1.245m.
